As part of our new transparency with Governance,
we now have every third meeting as an **open meeting**.

We welcome any members of the station to come along and listen,
ask questions, and be involved in an orderly manner.

Management Committee meetings are held 3rd Wednesday of every
month at 6pm in the meeting room at Almas Activities Centre.

July	Committee Only
August	Committee Only
September	Open meeting all members
October	Committee Only
November	Committee Only
December	Open Meeting all members (Christmas celebrations)
January	Committee only
February	Committee only
March	Open Meeting all members
April	Committee only
May	Committee only
June	Open Meeting all members

Programming Committee.

The programming committee is responsible for all programming matters.

- It is responsible for the implementation of new programs, program inserts and ideas, evaluation of current programs and scheduling.
- It also addresses on-going operational matters relating to on-air standards and counselling of presenters who are not following station policies.
- All decisions made by the programming committee are then forwarded to the Committee of Management for ratification.
- **The Programming committee members are.**
- **Craig Cracknell**, Craig's role as station manager is to take the minutes of the meeting and to forward them to the Committee of Management for review and ratification.
- **Robert Hevey**, Bob's role is station scheduler. His role is the go-to-person for presenters who for whatever reason can't present their program. Basically his role is to prepare a weekly roster and to fill time slots that become vacant through illness or leave. Bob is also an on-air presenter
- **David Mitchell**, he is an on-air presenter who also looks after station sponsors, seeking out new sponsors.
- **Phillip Swan** on-air presenter.
- **Kathy Shadwick** on-air presenter.
- The Station President (Helen Lindsay) is entitled to be present at all programming meetings.

Robert Hevey.

Better still drop into our studio and introduce yourself.

From the President,

Helen Lindsay

I would like to thank ALL the PRESENTERS for their patience and tolerance during these trying times of studio renovations. All progress comes with a little agony but, wow, the upgrade will be fantastic and we are all learning new skills, particularly those like me who have not used studio B before.

It has been hard for Craig to do promos etc and everyone who have been dodging ladders and wires. A particular thanks to David Mitchell and Jim Parish the driving forces behind this project.

I feel the happy image of the radio is on the increase.

Our Outside Broadcasts are being well received by the organisations where we have been present. "From Little Things, Big Things Grow" We are getting more requests for the broadcasts and our new equipment is there to be used. I had the pleasure of meeting some members of Print Radio last month who were doing an outside broadcast from the Kingston Library under Jim Parish's guidance.

Language Day was a perfect example where we proudly represented our Multi-Cultural section of the station. There are images of this event on our face book page.

We are having a lot more fundraisers and I'm glad to say the numbers in attendance are building up. We try to have something for everyone. Thank you Robbo for organising the Italian night and Benni for the BBQ. It is pleasing to see the initiative of presenters. Those who donate wonderful prizes for raffles.

Brett and Col are MCing an afternoon at the Bellerive Yacht Club on 1st June 2pm The Music will be supplied by Soundbites

All our SPAT members are busy with the vinyls sale. (pg 20.)

Hobart Town Tea Rooms are hosting a Mad Hatters Tea Party.

(Booked Out)

Our members' draw is growing each month attracting new members and sponsors for our draw.

Whilst we are building our image and fundraisers we still need a couple more big sponsors. If you walk into a shop or a car yard and they are playing our radio station ask them if they would like to sponsor us and contact us or better still grab a business card and we will contact them.

**Please put Wednesday June 19th in your diary.
This will be our Members and Presenters Night.**

Cheers Helen

Facebook Helen Lindsay

It is official

ALL SUBS ARE NOW DUE ON THE 30TH JUNE

BONUS. Anyone joining or paid their subscriptions in the first six months of this year will be members until 30th June 2020.

This will save admin costs of sending out reminders for individual members. This is very cumbersome and costly.

To be able to vote at an AGM or stand for the management committee you must be a member for at least 3 months to vote and 6 months to nominate for committee.

The AGMs are in September each year.

Membership cards will be issued.

- Cheaper entry into our functions.
- Monthly Members Draw
- Discount at certain businesses.
- Newsletters - information about the station.
- Attendance of Open Meetings of management committee.
- Voting at the Annual General meeting

Sponsorship.

Do you want your business to get more recognition?

Sponsor Us. Great Value,

Forms on Web Page or email the office for one.

We want to help You.

Out and About

Language Day

Jelena Cupec getting ready to start an Outside Broadcast from Hobart FM. Jim Parish and Peter Darby are planning the day.

We did several interviews including Chinese, Indigenous, German, and Spanish. Sonia Para one of our Spanish presenters co-ordinated the day.

The Italian Club was the venue for one of our major fund raisers hosted by John Robestelli. John (Robbo) and Jim Parish organised an outside broadcast for the evening and hundreds of listeners enjoyed the music. Terry Mather and Robyn Guy two of our presenters who attended the evening.

Print Radio 7RPH

shared our Outside Broadcast equipment to read at the Kingston Library. Honoured to meet them.

Sammy's words of wisdom.

1. I've been hiding from exercise,
I am in a Fitness Protection Program
2. What do you call a Mexican that doesn't know where he parked?
Carlos
3. I've put a shirt and tie on my TV.
I always wanted a smart T.V.
4. What did the judge say to the skunk?
"Odour in Court"
5. Did you hear about the towel that likes telling jokes?
It wasn't funny but it had a dry sense of humour.
6. What happens when you cross a river and a stream?
You get wet feet.
7. My boss texted me and asked to send him one of my funny jokes.
I replied, "I'm working at the moment, I'll send you one later", to which he replied, "*That was fantastic! Send me another one.*"
8. I just met Bruce Lee's vegetarian brother...
Broco Lee.
9. I hope you're all remembering to say "this takes me back" *whenever you reverse a car.*
10. My friend asked me if I could name 2 different structures that hold water.
I said, "*Well, dam*".
12. I tried to watch the Never Ending Story,
But I couldn't finish it
13. Zoologists have discovered a new breed of Monkey. It can glide, and with training, it can return to where it started. *They call it a boomerangatan.*

Sam Hasell

OUR LISTENERS

On Sunday I was sitting next to Margaret.

I had only briefly met Margaret before. She is an author in her 60's, very creative, well spoken, lives on her own with a couple of cats.

Margaret suddenly started talking about Hobart FM. "I listen to it all the time, two radios in my house, and when I am driving. I love the music, easy listening. I love the presenters, their jokes and quirky habits, they are my company." "I had to go to Brisbane and missed listening to my station, so my brother helped me pick it up on the net. Everyone in Brisbane was so impressed, envious, jealous that they don't have a similar local radio station."

Meet Eric. He is retired, spends a lot of time in his "man's den" tinkering, building bits for his family. When Eric drops his wife off at my place he always asks. "How is Brenda?" "Did Malcolm enjoy his holiday?" "How old is such and such, I'm sure I went to school with his brother?"

Meet Lynne. Lynne works at the Royal Hobart Hospital. At her work they deliver samples to various places around Hobart at any time of the day. The staff love doing the deliveries because they can listen to Hobart FM whilst driving.

Meet Frank. He works at Australia Post sorting mail at night. "The radio is always on Hobart FM."

We have a wonderful station. A huge thank you to all our presenters and volunteers who keep our station running. We sometimes feel why am I doing this? There are so many people out there that we will never meet but if we can help them smile and sing then every second you are on radio is worthwhile.

Helen .

Multicultural

For our Multicultural presenters, I would like to just remind you of the talk to music ratio. It is roughly 50/50. You can speak in your native language and an English translation for our general listeners. This is monitored by CBF. The only exceptions are when we are doing an Outside Broadcast, then the talking component is taken up with interviews and the presenter is responsible for the music, station ID and information.

I would also like to emphasise the importance of letting your community know what is happening here in Hobart. News from overseas can be accessed on TV and the internet very easily 24 hours a day. If you have a special announcement about something occurring in your native country that is **current and relevant** then by all means make the announcement but remember the idea of Community Radio is to inform your community of things and events in “your community” and maybe some anecdotal stories.

We are hoping to have some of our sponsorship announcements done in different languages so we can play them during your programs. If you can spare some time to record announcements please contact the office and let them know.

To all our presenters...this is an exciting time for Hobart FM. A new rack room (electronics), a new studio and phone system and soon after that we will be making changes to the bathroom and having a new kitchen area. There are of course many more plans for down the track which will see a new office area and eventually a new look around the outer area of the building. We are still negotiating a way to make the access friendlier for those with disabilities; let's face it, those stairs can be pretty scary.

Thanks for all your time and effort in preparing and presenting your programs.

Remember if you have program issues please be sure to contact Bob Hevey on 0409 213 511.

Kaye Payne

Fundraiser Concert

Fundraiser for  Community Radio

from the fabulous
Brett and Col Show

Clarence Country

A fundraiser'arm' of Hobart FM 96.1 for nearly 20 years is celebrating this occasion on **Sun 17 Nov 2019**. (watch this newsletter for further details as they come to hand).

If you are a listener of this station, reading this newsletter or just a devotee of Country Music, you are invited to come along and listen to our resident band, Clarence Country, every Tue evening, 7 - 10 pm (late Jan - mid Dec), sing a song and join our list of regular singers entertaining throughout the evening. Special events are conducted during the year. (details are publicized separately and on our facebook page, Clarence Country).

L to R. Rodney Hynes, Steve Smith, Mick Vincent, Gary Mills, Lyn Daley, Simon Cockell and Chloe (David) Clark. Absent Geoff Burston

Recently we had an unexpected visitor from our friends in Queensland. A tribute singer of good repute to the great Johnny O'Keefe (JOK) and other R & R and country artists. The popular Johnny Bee dropped in and gave us an entertaining mixed bracket of songs.
Thanks Johnny

Helen Lindsay (Tassie Experiences) with Johnny Bee and President of Clarence County Ian Crook.

Mostly Folk

Every Tuesday evening 6.00 – 8.00pm

Mostly Folk is a dynamic two hour radio show packed full of folk music from around the world. Hear a wide range of music, stories and interviews from our team of experienced presenters.

About the Mostly Folk Team:

Roger Joseph

Roger is well known to many as Manager of Arelmedia Management, bringing exciting folk acts from around the world to Tasmania.

With a degree in business, Roger worked at the ABC for sixteen years in tech and admin. Other roles he has worked in have included union organiser, electorate officer, cleaner, taxi driver and cook.

Helen Morrison

Local music teacher and performer Helen Morrison joined the Mostly Folk team six years ago, having had an interest in radio since high school. With a multi-instrumental background, including harp, piano, cello and violin, and a love of all things music, Helen enjoys supporting local and international folk acts, attending their concerts, writing reviews and playing their albums on Hobart FM.

Alan Raby

Alan's background is in the folk dance tradition and brings a sense of rhythm and pace to his show. Alan became interested in 2010 when Malcolm Fielding put out a call on the Folk Federation of Tasmania mailing list for someone to take over the show when he moved to Queensland, and I jumped at the chance."

BANG not so many crashes, laughter, frustration, power outages, new experience tolerance, discussions, decisions sawdust,

All words to describe the upgrade of our studio A.

Jim, David, Phillip, Craig, the tradesmen, the studios have been a buzz, climbing the stairs carrying, dodging electrical cords, ladders, windows, doors and paint tins. Coffee cups, and biscuit tins washed and rewashed as a steady stream of interested people visit to view the renovations.

Exciting times. The new desk is installed. Sound proof walls help the acoustics.

Come to our members night and hear the story Wednesday 19th June 7.30.

Sound Preservation Association of Tasmania

Next time you are in Bellerive with an hour to kill call into SPAT. It is situated in the Old Bellerive Post Office at 19 Cambridge Road. The building is worth a look before you even discover the treasures within.

The SPAT is an incorporated organisation whose aim is to identify, collect and preserve recorded sound.

Over the years, the association has depended for its existence on the support from its members and other generous persons for the donation of old records, tapes, cylinders and gramophones.

The Centre's main aim is to preserve our heritage of recorded sound, particularly of Tasmanian Origin.

The Association was founded late in 1985, and has now in its possession over 60,000 records including a number of rare Edison cylinder recordings, many mantel wirelesses and gramophones.

The centre has also on display number of old cameras, movie and slide projectors and memorabilia relating to sound, stage and screen.

It is open 11 am to 3 pm Monday Wednesday, Thursday and Friday.

When entering the museum I discovered Ray sorting a massive amount of vinyl recordings ready for the **Vinyl Fair on 26th May at Almas Activities Centre. 17 Alma Street, Bellerive.**

The radio station will be running a 60's 70 style milkbar called the BlueGate (remember the Greengate?) We will have Phil's toasties, Amanda's waffles and Helen's famous milkshakes.

Call Ray on 6245 1153. if you want to book a stall to sell your loved excess musical memorabilia.

(All presenters & volunteers)
ALL WELCOME

Every year the Community Broadcasting Foundation allocates a number of training places to the Community Media Training Organisation (RTO ID 91800). These training places allow the CMTO to plan how many accredited and non-accredited (Pathways) courses we can organise in a financial year.

Training places are limited and competitive, and the CMTO is guided by the priorities of the training fund in deciding which courses will be delivered.

The priorities are:

- courses for broadcasters based in regional, rural and remote areas.
- courses for Indigenous & ethnic community broadcasters & radio for print handicapped broadcasters.
- accredited training such as Certificate II in Creative Industries and Certificate III & IV in Screen and Media.
- courses which provide skills development for volunteers that have an ongoing role at your station.
- courses at stations which have not hosted CMTO training previously.

It is important that your station is able to meet as many of the above priorities in any course you host. You will get points for every criteria which you meet.

Things you will need to complete the application:

at least of 8-10 volunteers or station workers who are interested in the course (At least one in three nominated trainees must be female).

- a contact at the station who will be able to coordinate the training with the CMTO.

Applications due by Friday, May 23, 2019 at 17:00pm AEST

If successful, training will commence from July, 2019.

If you are interested please contact Kaye Payne 0412 825 967 register at the office. 62441900

Our uniform.

**Bob Hevey (Programming Chairperson) Helen Lindsay (President)
Craig Cracknell (Admin)**

We were starting to get a variety of shirts and colours with various styles. At the last committee meeting we voted to have this t-shirt as our uniform. We can also get caps to match. They have our logo embroidered on them.

The Caps are \$15 each T-Shirts \$30-00

We have one on display at the studio. If you would like to order some I will set up an order sheet in the office. Craig will gladly take your order.

Or Helen on 0439 672 331.

You can also get our logo put on any article of your clothing for just \$8.00.
